**11 PROPOSED CONTRIBUTIONS TO THE GROWTH AND DEVELOPMENT OF THE INSTITUTE IF ELECTED INTO COUNCIL (Not More Than 200 Words)**

To ensure that ICAN continue to achieve the objectives in respect of which it was established. To continue to play the leading role in the accountancy profession, at both national and international levels. Specifically to focus on the strategy to reposition the Institute. These would include:

Technical- To ensure production of quality professional publications and a robust examination syllabus and Finance by exploring additional sources of funding the operations of the Institute beyond the current self-financing events. I will use my contacts in the boards I currently serve on to raise financial support and give contacts to support the institutes public interests agenda.

Marketing - To relate and engage with the stakeholders.

I will ensure that the examination process which is the bedrock of the Institute's success and enviable position among Professional Institute in the country and globally is upheld and further taken to greater height.

I will join hands with other Council Members in ensuring that members training are available and affordable in readiness for ICT possible disruption.

To work with other Council Members to see that the image of the Institute is positively projected in order to attain the Institute's vision.

I will use my connections in attracting both local and International connections which will promote the course of the Institute.

I will work with other Council Members to ensure that District Societies are strengthened so that members that are not associating with the Institution and the District would be encouraged to come into the fold.
