

**PAN AFRICAN FEDERATION OF ACCOUNTANTS (PAFA)**  
*and*  
**AFRICAN ACCOUNTING & FINANCE ASSOCIATION (AAFA)**

## **2017 AFRICA CALL FOR RESEARCH PAPERS INITIATIVE**

### **PREAMBLE**

One of the strategic goals of the *Pan Africa Federation of Accountants (PAFA)* is to develop [and engage in] global knowledge and solutions on issues that will impact the economy, society and the profession (thought Leadership). To achieve this goal, PAFA plans to partner with accountancy academics in Africa Universities to conduct research on emerging issues. As a first phase, PAFA is collaborating with African Accounting & Finance Association (AAFA) to implement the “**2017 Africa call for research papers initiative**”. *The African Accounting and Finance Association (AAFA)* is coordinating this initiative as a platform for emerging and established scholars with a passion for research in Africa to support their research goals and contribute towards the development and advancement of accounting knowledge. Specifically, this partnership will benefit both Academics and the accountancy profession in Africa. It will increase the profile, capacity, and performance of African University academics, as outstanding research papers will be published and used by PAFA at national, regional, and global levels to influence policy and standard setting.

### **OBJECTIVE OF THE INITIATIVE**

The initiative is to develop high-quality empirical, conceptual or theoretical research on emerging trends for use by the accountancy profession to enhance their contribution and support to African economies in their quest towards attaining Sustainable Development Goals (SDGs). The initiative seeks to advance knowledge on accounting and/or financial practices in Africa, and via appropriate dissemination, inform and influence policy and thinking at national and continental levels.

### **AWARDS**

Researchers are invited to apply for the research awards by following the process noted below. The top three winners will each receive a cash reward of USD 2, 000 and be invited to present their findings to key decision and policy makers at the 4<sup>th</sup> Africa Congress of Accountants in Uganda, May 2017. In addition, the fourth and fifth place winners will each receive financial awards of USD 1, 000 and their research papers published.

### **ELIGIBILITY AND CONDITIONS**

In order to be eligible to participate applicants need to fulfill certain criteria among those listed below:

- i. Must be a resident in Africa;
- ii. Must demonstrate capabilities to conduct and complete quality policy based research.

- iii. Be available to attend the *4<sup>th</sup> African Congress of Accountants* scheduled to be held in Kampala, Uganda in May 2017 to present their papers if selected among the top three papers.
- iv. Must be in a position to submit their complete papers **not later than 15<sup>th</sup> March 2017** if their abstract, referred to in the application process below, is selected.

### **APPLICATION PROCESS**

Applicants who meet the eligibility criteria and are able to fulfill the conditions stated above can apply by submitting a structured abstract of not more than 500 words before 20<sup>th</sup> January, 2017 to [conference@aafassociation.com](mailto:conference@aafassociation.com) and copied to [olayinkamoses@gmail.com](mailto:olayinkamoses@gmail.com) with “*2017 Africa call for research papers initiative*” as the subject of the email. The abstract should focus on one of the thematic areas noted below. For guidance on writing a structured abstract please refer to the resource by Emerald Publishing <http://www.emeraldgrouppublishing.com/authors/guides/write/abstracts.htm?part=2>. The Selection Committee will review the abstracts and inform successful researchers by 31<sup>st</sup> January 2017 in order for them to prepare the detailed research papers.

### **THEMATIC AREAS**

Research is invited on the following critical corporate governance and accounting emerging thematic areas:

- The role of the accountancy profession in contributing to Sustainable Development Goals (SDGs).
- The future of the accountancy profession
